

Dr Tom Owens – biography

Qualified Peninsula Medical School 2008

Qualifications: BSc (Hons) DipClinPharm BM BS MRPharmS MRCGP

Biography

Tom initially trained as a Pharmacist, obtaining a 1st Class BSc (Hons) in Pharmacy from the University of Brighton and undertaking his Pre-registration training at The Bristol Royal Infirmary. He subsequently undertook a 2 year Residency at Leeds General including weekend and evening response for the National Poisons Service.

He obtained a Postgraduate Diploma in Clinical Pharmacy (Hospital) from The University of Bradford in 1998

Following this he joined FirstDataBank Europe, Part of Hearst, as a Clinical Pharmacist and was promoted to European Knowledge Base Manager and finally, Head of Knowledge Base Services for the UK before leaving to fulfil his ambition to train as a Doctor.

He studied Medicine at Peninsula Medical School, gaining BM BS with Distinction in 2008.

After working at The Royal Devon & Exeter NHS Foundation Trust for 2 years he completed his GP training in 2013.

He joined The Mid Devon Medical Practice in 2014

Tom's clinical interests include minor surgery, dermatology and pre-hospital emergency care. He obtained The Pre-Hospital Emergency Care Certificate in April 2016.
